

THE MISSION OF UNIONCAMERE LAZIO

Unioncamere Lazio takes care of and represents the general interests of the region's five associated Chambers of Commerce and the corporations, companies, consortia and bodies which constitute them, with regards to the Regional Body and the institutions present in the regional area

Its final mission is to promote the region's growth and qualitative development in all of its economic and productive sectors, aiming towards the modernisation and globalisation of the entrepreneurial structure of the region. Unioncamere Lazio therefore supports those entrepreneurs in Lazio who are interested in gaining a presence on national and foreign markets. It intervenes implementing preparatory, accompanying and follow-up measures for promotional initiatives in Italy and abroad. It operates in close cooperation with Lazio's individual Chambers of Commerce, aiming to enhance the initiatives promoted by them on foreign markets. It seeks the greatest possible coordination with those institutional actors who are in charge of developing promotional initiatives abroad at national and regional level.

Main objectives of the Promotion Affairs Area are to organise trade fairs and missions; to provide enterprises with information and technical assistance with regards to topics concerning the export activity; to train enterprises; to receive foreign delegations.
